### COMPOSITION:

Exterior fabric: 100% Polyester + Bonded Polyurethane

Other info: 300D + Bonded Polyvinyl chloride

Lining: 100% Nylon Ripstop 210D + Bonded Polyurethane

### TECHNICAL DESCRIPTION

- Messenger bag or rucksack - the choice is yours!
- Two-zip 75cm opening on the top as a messenger bag and on the right side as a rucksack.
- 39cm zip opening on the front with a carabiner for keys, phone pocket with velcro and elastic, 4 card slots with one transparent window.
- Inside compartments in the front section: zip pocket 17cm deep, second phone pocket with elastic and velcro, 3 pen pockets, 2 pockets for documents 13cm deep.
- Inside compartments in the rear section: laptop compartment 37 x 24cm with elasticated velcro fastening, document pockets.
- On the back, a padded mesh section for extra comfort and the possibility of carrying it as a messenger bag on the handle of a suitcase. A zip pocket and two inserts hide the rucksack straps when it is a messenger bag. Two inserts in front and back hide the handles when it is a rucksack.
- Delivered with a large strap for the messenger bag version. Size: 43x30x9 cm
