### WASHING INSTRUCTIONS

### TECHNICAL SPECIFICATIONS

- High-tech canvas trousers with Lycra inlay at the crotch, in the back and behind the knees. Straight cut, classic waist.
- Subtly contrasting reinforcements: knees, lower legs, diagonal pockets in front, straight pocket in the back.
- High waist in the back with wide belt loops, adjustable with velcro and elasticated, to cover the lower back when kneeling or bending and for protection against the weather.
- Diagonal pockets in the front, small zip pocket with a ring above for keys, measuring tape pocket on the right with pen slot, large zip pocket on the left and phone pocket that rotates when bending down.
- Removable zip pocket on the left or right with different sections for tools and a three-colour band. Knee pocket opening from the bottom.
- Back pockets: a pocket with double piping and zip on the left and a seamless, loose patch pocket at the bottom of the pocket for better comfort when bending and to avoid tools breaking through the pocket.
