WASHING INSTRUCTIONS

TECHNICAL SPECIFICATIONS

- Water-resistant warm jacket. 120g wadding used for the body and 100g for the sleeves.
- Adjustable waist with an elastic cord inside the jacket, for a feminine shape.
- Subtly contrasting reinforcements: low pocket flaps, cuffs and back collar.
- Parade collar protects the back of the neck from the cold.
- YKK zip in the middle of the front
- Patch breast pockets with patch and zip, large low pockets with velcro at the top and hand-warmer pockets on the sides with warm lining. Inside, a velcro pocket for easy opening and closing and a vertical zip pocket.
- Cuffs with three-colour ribbing protect from the cold, adjustable with contrasting Parade Orange velcro for a tighter fit.
